My team project

Logo

Me and my team members achieved in a Logo design @fashion logo

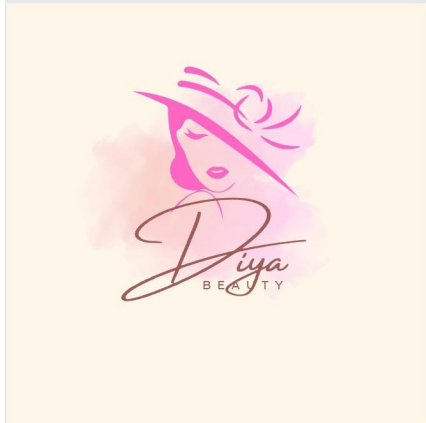

Empathy Map

## Ideation & Brainstorming Map

## RESULT

## ADVANTAGES

In this logo looks attractive and pleasantable .It's gives a vibrant look.

## APPLICATIONS

Search designs on Canva

then select the fashion design logo template and add girl model then change colors and fonts.

## CONCLUSION

These are the things we have done this project.

Users can also design and sell certain fashion products.
